## AMENDMENT TO BY-LAWS PASSED BY MERCHANTS

Two amendments to the by-laws of the Chamber of Commerce of Honolulu were approved by the directors of the Merchants' association at a meeting yesterday afternoon, following which the amended charter of the greater organization was accepted. The trustees of the Chamber of Commerce at their next meeting will be requested to consider the amendments as made by the merchants.

The amendments follow:  
"Every person now a member of the Merchants' association of Honolulu or an accredited representative of a firm or corporation having membership in that association, shall upon the adoption of these by-laws become members of this Chamber of Commerce of Honolulu without the payment of any admission fee.

"Upon the adoption of these by-laws the term of office of the present officers and trustees of this chamber shall terminate, and thereupon an election shall be held of officers and directors to serve until the next annual meeting or until their successors are elected."

The following letter, written to the Merchants' association by the secretary to Delegate Kubio, and in the name of the latter, was read at the meeting:

"Washington, D. C., April 30.  
"Gentlemen—I am sending under separate cover, a copy of the agricultural bill as reported to the senate, on page 62 of which you will find a provision for extension work in Hawaii. This provision having been inserted in the bill, the result was that the amendment to the Lever bill by which Hawaii was allowed \$10,000 for extension work was rejected in conference.

"There was a great deal of opposition to having Hawaii included in the Lever bill, but rather than deny Hawaii any of the benefits of extension work the senate decided to provide for us by the amendment to the appropriation bill above referred to. "Action on the federal building bill is now being held up pending the report of Mr. Roberts. As yet the report has not been received, hence, the delay.

"The Honolulu Rapid Transit bill will be reported to the full committee, very shortly. It has been in subcommittee since the first of the year, but owing to the fact that the bill was quite different from anything heretofore laid before Congress, the committee decided that they should be fully informed before bringing the bill to the attention of the house."

## 25-YEAR MEMBERS OF I. O. O. F. ARE OUT IN FORCE

Oliver G. Lansing, Percy G. Jackson and Clyde C. Kimball had the third degree conferred upon them at a meeting last night of the members of Excelsior Lodge No. 1, I. O. O. F. The occasion took the form of an "Old Timers" gathering, there being 85 members of the order in attendance. Noble Grand G. L. Samson presided, the degree work having been carried out by a joint team composed of members of Harmony and Excelsior lodges.

It was the idea of those who arranged the meeting to have present as many members possible who have been connected with the lodge for more than 25 years, and the project was carried out to a highly successful degree. There was a program of literary and musical selections which was greatly enjoyed by those present. Refreshments were served at the close of the program. The list of those members who have been affiliated with the lodge for more than 25 years includes Robert Lewers, fifty-seven years; Charles R. Bishop, fifty-six years; B. F. Dillingham, forty-six years; Edward C. Rowe, forty-six years; Alexander C. Mackintosh, forty-three years; William R. Castle, forty-three years; Thomas G. Thrum,

## This Stomach Remedy Remarkably Successful

You know us—your home druggist. You know we wouldn't guarantee any remedy to relieve indigestion or dyspepsia, or money back, unless we felt the utmost confidence in that remedy. Therefore, when we offer you Rexall Dyspepsia Tablets with this proof of our faith in them, it leaves you no room for hesitation or doubt.

The remarkable success of Rexall Dyspepsia Tablets is due to the fact that they contain, among other things, Bismuth and Pepsin two ingredients endorsed by the medical profession as invaluable in the treatment of stomach ills. They soothe the inflamed stomach, check heartburn and distress, stimulate the secretion of gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich, red blood. In a short time they tend to restore the stomach to a naturally comfortable, easy acting healthy state. They also benefit the bowels.

Rexall Dyspepsia Tablets are sold only at the more than 7000 Rexall Stores, and in this town only by us. Three sizes 25c, 50c and \$1.00. Benson, Smith & Co., Ltd. advertisement.

## FOUR COMPANIES OF GUARDSMEN TO TAKE FIELD

Four companies of the National Guard of Hawaii will take the field next Saturday for a one-night camp of instruction at Red Hill. The time is necessarily short, and therefore the schedule will be a strenuous one, as it is imperative that the guardsmen especially the recruits, have some training in field work before going out with the 2d Infantry next July, for the annual encampment.

Major M. M. Johnson, commanding the 1st battalion, 1st Infantry, has ordered out his battalion, less Company C, Company H, the Chinese-American organization, has been planning a camp for the past two weeks, and on invitation of Major Johnson, Captain Redington has decided to join with companies A, B and D in order that a problem may be worked out. Lieutenant Whitener, inspector-instructor of the National Guard of Hawaii, will accompany the battalion into the field, and assist in the general instruction.

Companies A, B and D are ordered to assemble at the armory under arms at 3 p. m., and will march to Red Hill. Company H will leave at 4 p. m., taking the street car to Fort Shafter, and marching from there to the camp.

Blanket rolls are to be carried on the wagons. A battalion mess will be run, the cooks of the four companies combining to furnish appetizing "chow" for the command.

Saturday night there will be an out-post problem, and Sunday morning a combat problem of some sort. Much interest is being shown by the men of the companies scheduled to go into camp, and it is probable that everyone who can get away from business will be on hand.

Once more, in Judge Robinson's court, appears the moss-covered case of Scott vs. Pilipo. Every newspaper reporter during the last 17 years has had a word to write on this story. Most of the original parties in the case are dead long ago, but the remaining heirs still keep on the job. It is thought that at last the end of the suit is in sight and that a decision may be given some time this year.
